Class Poem

We bid farewell to all the crew,
Our teachers and our classmates, too;
For here we must forever part
That each his course alone may start.

True, so oft we've tired of school
And wished that we were through;
But now that we have reached our goal
Our dreams have all come true.

So, we the class of '58
In parting shed no tears;
For we have learned at last to wait
From our passing high school years.

President's Message

WE, THE CLASS OF 1958, have now completed the first of many stepping stones in our lives. We have worked hard to reach our goal of receiving a diploma—not because we were pushed, but more so because we will not only have to have a high school education but also a college education if we expect to give all we can to our God, our country, and to ourselves.

Ahead of us we know not what lies. Will ours be the generation that reaches the moon; will we become involved in a world wide conflict; or will there be a settlement in the world with all agreeing to live in peace. We know not. All we can do is to prepare ourselves in whatever is best suited for us. We must do the best we can or our beliefs will be the ones to fall beneath the feet of the ever rushing time.

We all wish to thank our teachers, parents, relatives, who have helped us reach the first great pinnacle of our lives. They all have helped light for us our places in the future. They have helped prepare us to meet many stepping stones in the future and showed us how to meet them without a falter or misguided step. Thus prepared we will do our best in the world ahead.

EDWARD BIRMINGHAM, President,
Class of 1958

Valedictory

THE END, YET THE BEGINNING

Finimus Coepturi, the end, yet the beginning. As we, the class of 1958, reach our commencement, we realize that a part of our lives has come to a close. Commencement marks the end of our high school education—the end of four years filled with hope, disappointment, joy, and anticipation.

Yet commencement marks a beginning—the beginning of one of the most important times in our lives. Now we will prove to our parents, teachers, friends, and ourselves that we can take advantage of and utilize the education given to us. We will be able to face independence with a basic understanding whether we enter college or obtain some position. As each of us receives his diploma, we know that this commencement is *Finimus Coepturi*, the end, yet the beginning.

LILLIAN AILEEN TAMMI

Salutatory

As spokesman for the Graduating Class of 1958, it is my privilege to extend to you a most cordial welcome to this, our Commencement.

I need not, I am sure, stress the sincerity and warmth of this welcome. This momentous occasion marks in a particular way the attainment of a particular goal—our graduation from high school. We are keenly aware that the privilege of graduation is available to us only because You—our parents, our teachers, and our friends have made it so.

The constant guidance and encouragement received from our parents and teachers have provided the direction and incentive for us to do our utmost to the end that the future might be a happy, a useful, and a successful one.

Our Commencement reminds us that we now take the step from adolescence to maturity; from here on we are faced with the stern reality that we must develop into mature, responsible individuals.

Tonight, as we say our last farewells to our Alma Mater, it is our earnest prayer that we may enter this complex world with hope and courage and that we may earn for ourselves the distinction of useful and intelligent citizenship in our democratic society.

We sincerely hope that during our memorable high school days we have fulfilled the expectations of our parents, our teachers, and our friends.

In closing, may I say once again thank you and welcome to this, our Commencement.

CAROL LOU FISH

Class History

1954-55

IT WAS September, 1954, when 57 odd-looking freshmen invaded the beloved halls of West Rutland High School.

Acting very bewildered, we were seated alphabetically in the study hall, our new home away from home, and led through the routine of being lowly freshmen.

We were just beginning to get into the swing of things when Freshman Reception loomed ominously before us. We were told to do the usual silly things which accompany such events and told to repeat an oath which we secretly vowed to oppose. After this outrageous ridicule, we decided it would be best for all concerned if we settled down and accepted our lowliness, an attitude which every one else had already taken, as we were looked down upon by seniors, juniors and sophomores alike.

As the leaves began to turn to gold, we buckled down to some hard studying. It was at this time that Mr. Hinchey announced our initial class meeting for the purpose of selecting our class officers. After much consideration we selected Neil Cunningham as President, Sallie Birch as Vice President and Mary Lou Dunlap as Secretary-Treasurer.

Also with the fall season, we contributed the following athletes to the football team: Russell Burney, William Costello, George Gilligan, Michael Harte, William Hults, John Sabotka and Ralph Weinreber.

In the musical field, we did as well, the following frosh having joined the band: Sallie Birch, Howard Carlson, Robert Cornelius, William Costello, Carol Lou Fish, Theodore Giebutowski, Betty Haven, William Hults, Richard Marchinkoski, William Parker and Ralph Weinreber.

In the field of drama, Sallie Birch was our only participant in the Athletic Play, "Listen to Lester."

Winter came, cold and hard, but the following freshmen were seen on the basketball court: Rene Bourassa, Russell Burney, William Costello, George Gilligan, Michael Harte, George Janas, Phillip Jarrosiak, Robert Parkman, John Sabotka and Francis Zakrzewski.

Betty Haven was selected as Junior Varsity Cheerleader.

Our spirits brightened at the approach of Santa and the Christmas vacation. Miss Bliss's plea for new talent was heard by Sallie Birch, Mary Lou Dunlap, Carol Lou Fish, Theodore Giebutowski, Betty Haven, Phillip Jarrosiak and Ralph Weinreber, who were ushered into the glee club which was to sing at the Christmas Concert.

The coming of spring heralded a new sport as William Costello, Robert Parkman, John Sabotka and Francis Zakrzewski joined the baseball squad.

The annual fashion show, presented by the Home Economics Club during Commencement Week, called upon Ethel Austin, Theresa Bania, Sallie Birch, Evelyn Carlson, Mary Lou Dunlap, Joyce Ewing, Patricia Fabian, Carol Lou Fish, Carol Guertin, Betty Haven, Jean and Joan Humphreys, Mary Ann Porter, Irene Sherowski, Louise Swierzewski and Lillian Tammi to display their modeling skills.

William Costello was our only representative in the Prize Speaking Contest.

Final exams marked the end of our first year at Westside. Our number steadily decreasing, we apprehensively awaited the coming of our next year.

1955-56

AFTER an interesting summer, we returned to school in September as sophomores.

Immediately we organized and called a class meeting under the supervision of Miss Bliss, our class advisor. Officers elected were Francis Zakrzewski as President; Carol Lou Fish as Vice President; Russell Burney as Class Treasurer; and William Costello as Secretary.

Momentarily reverting to the mischievous ways of our previous year, we selected certain witty characters in our class to work off an old grudge. Sallie Birch, Henry Daley, Mary Lou Dunlap, Carol Lou Fish, Theodore Giebutowski, Betty Haven and Fran Zakrzewski served on the Freshman Reception Committee.

Our football players that year were Russell Burney, William Costello, Henry Daley, George Gilligan, Michael Harte, William Hults, George Janas, William Parker, and John Sabotka.

Miss Bliss's call for young actors was answered by Sallie Birch, Theodore Giebutowski, Ralph Weinreber and Francis Zakrzewski as they performed in the Athletic Play, "Faith, Hope, and Flarity."

Our band was now the pride of the community and the following sophomores contributed their varied musical talents: Sallie Birch, Howard Carlson, Robert Cornelius, William Costello, Carol Fish, Theodore Giebutowski, William Hults, Edward Johnson, Richard Marchinkoski, William Parker, and Ralph Weinreber.

The glee club acquired a new sound as Theresa Bania, Sallie Birch, Rene Bourassa, Henry Daley, Mary Lou Dunlap, Theodore Giebutowski, Betty Haven, Irene Sherowski, and Ralph Weinreber joined that notable group.

Basketball's call brought joy to the athletes in our class as Rene Bourassa, Russell Burney, William Costello, Henry Daley, George Gilligan, Michael Harte, George Janas, Louis Marsh, Robert Parkman, John Sabotka, Andrew Turner, and Francis Zakrzewski participated. Betty Haven was our only cheerleader that year.

With our report cards in hands, we kept our faces smiling and our remarks carefree, just to cover up for our poor marks. Facing our second half of this year, we all decided there was much room for improvement as we buckled down to some really serious studying.

The Baseball diamond holds an interest for many people as was proved by William Costello, George Gilligan, Michael Harte, John Sabotka and Francis Zakrzewski who proved themselves on the field.

Mr. Ianni then picked the top musicians from the band to represent our school in the All-State Band at the Burlington Music Festival. Theodore Giebutowski, William Hults, and Ralph Weinreber were among those picked.

During Commencement Week, Ralph Weinreber won the Prize Speaking Contest with "How Willie Forgot." Theodore Giebutowski also participated.

In the Home Economics Fashion Show were Ethel Austin, Theresa Bania, Sallie Birch, Evelyn Carlson, Mary Lou Dunlap, Joyce Ewing, Patricia Fabian, Carol Lou Fish, Carol Guertin, Betty Haven, Jean and Joan Humphreys, Irene Sherowski, Louise Swierzewski, and Lillian Tammi.

With a sigh of relief, we left school, shelved the books and headed for a nice cool swim.

Class Prophecy

AS SPUTNIK made its way around Earth, scientists here were receiving coded messages. The messages were revealing Sputnik's prophecy of the class of 1958 at West Rutland High School.

Sputnik first took the fate of Ned Parker. Ned has become a wealthy real-estate agent. His property is considered the best in Vermont. Among Ned's business friends are Eddie Johnson. Eddie, now a prosperous department store owner, has been thinking of investing in uranium.

The next message received was of Ed Birmingham, now a wealthy oil tycoon. His lovely wife, the former Sallie Birch, was chosen the "Best Actress of the Year." She has just won an Oscar for her starring role in the movie "I Was a Teenage Prankster."

Richie Marchinkowski, Louis Tarnowski and Louis Marsh have become the world's three most noted scientists. They are already arranging accommodations for their first trip to the moon.

Mary Lou Dunlap has become a star bowling attraction. Her ability to make strikes has earned her the title of "The Greatest Woman Bowler in the World."

Shirley Brown has returned to her native state of Massachusetts. Shirley is now the Dean of Katherine Gibbs School in Boston.

Bob Parkman has become a wealthy antique car dealer. Bob is married to the former Evelyn Carlson. Evelyn has given up her dancing career to become an ordinary housewife.

Andy Turner was the nation's coolest disc jockey. As a result, Andy now owns his own radio station in New York City.

Henry Daley and Russell Burney have become a well known author and painter, respectively. Henry's novel "The Best of Us" is the leading best seller. Russ has not sold any paintings recently but predicts he'll soon have a masterpiece.

Next was Mary Ann Porter. Mary Ann, a top hair stylist, has just won an award for her latest hair design called "La Moppe."

The messages were now buzzing frantically as Sputnik passed over the Golden Can Hotel owned by Larry Holden. His wife, the former Lillian Tammi, has just been chosen for the third consecutive year as "The Best Dressed Woman in the United States."

Irene Sherowski has become the number one violinist in the Boston Symphony Orchestra. Her soft, sweet music has warmed the hearts of many.

Mike Harte and Patty Fabian are going hand in hand in life. Both have become mild successes in their fields. However, they are more contented with their pleasant married life.

John Sabotka is a happy bachelor living on a large estate in Virginia with all female servants.

Doctor William Hults, an eminent veterinarian, has just performed amazing brain surgery on Phil Jarrosiak, one of the nation's leading politicians. Jean Humphreys, the doctor's pretty wife, is a registered nurse at the Rutland Hospital.

Carol Guertin is the owner of Slenderella Beauty Salon. She is now making a world tour lecturing on "How To Stay Slim."

Bill Herrick is now a successful motel manager. Bill is noted for his clean towels and excellent service.

Ted Giebutowski is the owner of the Trans-World Airlines. His beautiful wife, the former Betty Haven, is his favorite airline hostess.

Bill Parker is now a trumpet soloist playing at Carnegie Hall. After his last record breaking performance, he flew to England for an audience with the queen.

Ralph Weinreber, the world's funniest comedian, is trying to go around the world in eighty days. He is being accompanied by his wife Joan Humphreys, a prominent psychiatrist. Joan has been a great help to Ralph and his career.

Neil Cunningham has become a singing barber. He soon hopes to take over Saturday night from Perry Como.

Howard Carlson, who owns a three thousand acre ranch out West, has been chosen "Rancher of the Year." His wife, the former Ethel Austin, is teaching shorthand at a nearby college.

Carol Lou Fish has made a journey to the Belgian Congo. The purpose of the trip was to set up a clinic to help the natives of that region.

Eddie Potter and Rene Bourassa have bought the old Rutland Bus Company. With some major improvements, they expect buses to be the chief means of transportation. Both are bachelors and are reported vying for the hand of their secretary, Theresa Bania.

George Janas married his childhood sweetheart from New Jersey. George is now a successful dentist. For appointment call CEDAR-1-2000.

Bob Cornelius, a jet pilot in the Air Force, has recently achieved great fame for breaking the sound barrier.

Bill Costello has become a wealthy engineer. Bill has constructed the world-famous "Safety Bridge." His fiancée, Louise Swierzewski, was recently named Vice President of Fishman's Department Store.

Bill Lanfear was elected sheriff of Ira County. His ability to maintain law and order has gained him respect from peace loving citizens.

George Gilligan with his masculine voice has become the ringmaster at the Barker and Haley Circus. George considers Joyce Ewing the star performer. Her daring feats on the high trapeze have awed audiences everywhere.

Fran Zakrzewski is one of Hollywood's most colorful playboys. He recently threw \$100 bills out of his mansion window to an admiring group of fans below.

As Sputnik's sounds faded away, we were grateful for its help in predicting the future of the Class of 1958.

In the initial clash of the season the Hordesmen bowed to the Poultney Blue Devils by a 13-12 margin. They then encountered Woodstock who handed them their second defeat by a 19-6 score. The Hordesmen then traveled to Middlebury where they were outplayed 27-12. In their fourth encounter of the season the West Siders broke their losing spell by sharing a 6-6 deadlock with Burr & Burton. They then initiated their win column with a 14-13 victory over Mount St. Joseph. The Hordesmen duplicated this feat in their engagement with Bennington Catholic High School who bowed to the West Siders by a 14-13 margin to complete the "57" grid season.

Varsity Basketball

THE Golden Horde of West Side exemplified its best season within the last four years. The Varsity was dominated by the seniors who placed three among the initial quintet and four among the reserves. The West Siders swept through the pre-season league with a 6-3 record, losing the trio by close margins. After dropping the first two games to Pittsford and Proctor, respectively, the Horde quintet went on to win its next six games in succession, claiming Proctor and Pittsford once apiece, and Brandon and Fair Haven twice as their victims. Their winning streak was snapped when Burr & Burton came out on the long end of a 49-46 score.

The Hordesmen then entered the Southern Vermont League in which they were predicted to share honors in the cellar, but their high spirit and determination proved otherwise. In their first engagement of the season, the Hordesmen met the Red Raiders of Rutland who handed them their first loss by a 50-41 score. The Hincheymen then took to the road, playing four consecutive games away. Although dropping the first two games by close margins to Bellows Falls and Bennington, respectively, the West Siders upset the always dangerous Colonels of Brattleboro 56-49 for their first win of the S.V.L. season. They then made it two in a row at the expense of the inexperienced Mounties of Mount Saint Joseph, downing them 58-52. The Horde then played host to Springfield by defeating them by a 63-59 marginal difference. Their three-game winning streak was snapped when the Yellow Jackets of Windsor downed the Horde 57-54. They repeated this performance in the Horde's next game when Windsor played host to the Hincheymen and walloped them 75-51. The Hincheymen then made it double wins over M.S.J. and Springfield, defeating them 63-44, and 41-40 respectively. They then bowed to Rutland and Bellows Falls by close margins. To complete the schedule the Hincheymen won their last two games by taking Bennington over the hurdles to a 63-44 thrashing and by taking a nip and tuck battle away from Brattleboro, 51-44.

Having qualified for the Class B semi-finals, the Horde entered the tourney, favored over the younger and less experienced Ludlow quintet, but determination and calmness proved advantageous for Ludlow. The Ludlowmen gathered up a ten point lead in the first three minutes of the game and increased it throughout the remaining quarters to wallop the West Siders.

Varsity Baseball

THE baseball season got underway with the Hordesmen looking invincible defeating Rutland, Brandon, and Wallingford, but the spell was broken when the Raiders walloped the Horde, 14-2. The Westside nine then went on to defeat Pittsford and Chester by wide margins, but bowed to Ludlow and Fair Haven, 9-2 and 12-1 accordingly. Up to date the Horde has a 5-3 slate.
